

A Senior's Memories

Objective:

At the end of your senior year, write a 600-800 word essay explaining your experience with the Health and Human Service Academy.

The essay should include:

1. What you gained from being part of the Health Academy.
2. Five valuable things you learned from your teachers.
3. Your field trip experiences and what you learned from them.
4. Who is your favorite Health Academy teacher? Why?
5. What advice do you have to future generation Health Academy students?

Write in detail and share your memories with at least one Health Academy teacher. (signature required)
